

# Block Island

## *Ross Campbell Memorial Award*

**Presentation  
Saturday May 13, 2017, 4 p.m.  
Island Free Library**

Ross Campbell (1962 – 2010) was a resident of Block Island enjoying all it had to offer — sailing, fishing, hiking and snorkeling, but mostly the camaraderie of friends and family. Following the sadness of his passing, the Mental Health Task Force, now NAMI Block Island, came into being, working to bring mental health services to the island, to provide support for families and friends of those who suffer and engaging with the community to reduce the stigma that surrounds mental illness.

To honor and thank those who enable mental health in Block Island, the Ross Campbell Memorial Award has been established and will be presented annually during Mental Health Month. This first presentation will take place just before the Panel and Audience Discussion of the 2017 Mental Health Month “Block Island Opioid Conference”. Please join us to celebrate what has been done, and what can be done next.
